COQUITLAM
CONTINUING
EDUCATION

ON OUR COVER

“ From the first moment I stepped in the school, I felt welcomed and supported by the staff.

Not only have I gained valuable knowledge and skills, but also I have grown as an individual. I hope anyone who is seeking a transformative educational experience that goes beyond just academics, would have access to this place.

I was looking for a job that I had experience in, but there was no work, so I came to Coquitlam Continuing Education. The course I took helped me because it gave me the confidence and necessary tools and knowledge to look for a job. I found the instructors to be very supportive and inspiring.

Overall, I found the experience to be incredibly empowering. I would recommend CCE to anyone who needs a supportive environment, comprehensive learning resources, and opportunities for personal growth. ”

A MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS & DISTRICT PRINCIPAL

School District 43 (Coquitlam) has a stated mission to ensure quality learning opportunities for students of all ages. A foundation supporting this mission is SD43's commitment to innovative, flexible, and diverse course offerings and learning environments to support lifelong learning. We are extremely proud of the service and support Coquitlam Continuing Education provides to the communities it serves.

PATRICIA GARTLAND
Superintendent of Schools

For over fifty years, Coquitlam Continuing Education has been empowering adult students to reach their academic, language, and career objectives. Discover classes that interest you by visiting CE43.ca today. Create your student profile, register, and take the first step towards your goals. As an adult in a constantly evolving world, you've dedicated time to others—now it's time to invest in yourself. We're here to support you on your journey to success.

MICHAEL MCGLENEN
District Principal

5 REASONS YOU GET WORKING SOONER WITH BCJS

1

RAPID TRAINING— GET BACK TO WORK FASTER

Experience our condensed programs for a new career in under three months. Our comprehensive and fast-paced programs are designed to respect your time while ensuring thorough skill development. Rest assured, you'll gain the confidence and expertise needed to excel in your new career.

2

OUR GRADS GET HIRED! FASTER!

Three to six months after graduation, eighty percent of grads have reported attaining work they loved within their chosen field/career and that they are making more money as well!

3

PRACTICUMS DELIVER, OPPORTUNITY KNOCKS

Our whole education strategy is built around getting you into the right-fitting practicum. Many of our grads get hired right out of a practicum placement. That is why all our diploma programs include three weeks of work experience with a local business.

4

LONG-TERM JOB SATISFACTION AND RETENTION

Our diploma programs offer more soft skills (like conflict resolution and stress management) than any other local education centre. It has been proven that although technical know-how and experience gets your foot in the door to that next great job, soft skills help you work well with colleagues to handle most occupational challenges. It's one thing to get the job you love, but another thing to keep it.

5

EXPAND YOUR HORIZONS—EMBRACE LIFELONG LEARNING

Our training empowers you to navigate technological shifts down the road. Our curriculum is designed to foster a mindset of lifelong learning, ensuring you remain at the forefront of your field. Embrace change with confidence, and lead the way in innovation.

“

Transitioning to a new career and finding your dream job can be one of the most challenging goals in life. When I decided to change jobs, I was uncertain about which position would suit me best, and I needed more confidence. However, the Administrative Assistance program I enrolled in helped refresh my knowledge and regain my confidence. The teachers were enthusiastic and were always ready to lend a helping hand. The program played a significant role in helping me find the courage to take on my next career challenge.

”

ADMINISTRATIVE ASSISTANT
DIPLOMA GRADUATE

= EVENING CLASSES AVAILABLE

ADMINISTRATIVE ASSISTANT DIPLOMA

Every Office Needs Its Superstar

Equip yourself with cutting-edge knowledge in office technology while establishing a strong base in administrative fundamentals. MEET THE INSTRUCTOR: ADRIAN

For the past twenty years, Adrian has been an integral part of our local community, inspiring and guiding individuals toward achieving their fitness goals. With his passion for weight training and a deep understanding of the principles behind physical fitness, Adrian is dedicated to fostering a supportive and encouraging environment that promotes positive lifestyle changes. His classes are designed to empower you to become your best self. A seasoned fitness professional with over two decades of experience, Adrian is a certified group and personal trainer with BCRPA. He brings a wealth of knowledge and expertise to every class. With his guidance, you'll gain the skills and confidence you need to reach your fitness goals and improve your overall well-being.

FITNESS CLASSES

CARDIO CORE

Build endurance and muscle tone with this cardio and core-based training. Participants will be introduced to various exercise equipment for weight training movements. All fitness levels are welcome.

Mondays* 5:45PM–6:45PM
\$7 drop-in or \$55 for a series of 9 classes

MOVE IT MONDAYS

Ready to energize your week and leave the weekend behind? Come and experience a dynamic full-body workout tailored for all. Everyone's invited to join the fun and fitness!

Mondays* 4:30PM–5:30PM
\$7 drop-in or \$55 for a series of 9 classes

“**Move It Mondays** has been extremely helpful in improving my cardio and core strength. Since joining the class, I have increased my fitness and energy level. The instructor is patient, knowledgeable, and motivating.”
—**MOVE IT MONDAY STUDENT**

“Before **Move It Mondays**, I underestimated my fitness needs. However, these sessions, led by Adrian, have been transformative and enjoyable, targeting different muscle groups each time. After two years, I've noticed significant improvements in my balance and overall fitness. I am grateful for this journey.”
—**MOVE IT MONDAY STUDENT**

\$59

NEW!

MEET THE INSTRUCTOR: NINA

Whether it's silversmithing, costuming, or bookmaking, Nina realized at a very early age that creating was her 'thing'. It can be yours as well. The marriage between metal, clay, wood, and fibre is an inexhaustible Rubik's Cube of possibilities. She now shares this passion here at CCE.

MEET THE INSTRUCTOR: AMIRSALAR

Amirsalar (El Persa) is a renowned music educator and performer. He has over twenty-five years of instruction in exceptional art and cultural institutions in Spain and Iran. Amirsalar has trained countless music students from around the world in various concert genres, especially flamenco and fusion. He is a skilled musician who can help you enhance your well-being and creativity through music.

GENERAL INTEREST

GARDEN & LANDSCAPE

FALL LAWN CARE

Is your lawn looking worn out after a long hot summer? Get a jump on next season, show it some TLC, and get your yard thriving. After discussing the basics of turf biology and soil science, we will get into the tasks required to rejuvenate your tired old sod. We'll discuss the hows and whys of lawn cultural practices and explore aeration, topdressing, verticutting, seeding, as well as applying fertilizers.

SEP/10/24, 5:30PM-7:30PM
\$25

DECORATIVE FALL PLANTERS

Container gardening isn't just for summer flowers. Let's get our hands dirty and build a stunning fall planter that will be showy through the fall and into the spring. We'll use layers of bulbs along with some evergreen shrubs and perennials to keep your planter looking spectacular through the seasons. Tuition includes the container and a selection of plants.

SEP/24/24, 5:30PM-7:30PM
\$89

WREATH MAKING

Make your own festive wreath to brighten your door. All supplies are included.

NOV/26/24, 5:30PM-7:30PM
\$89

BASIC LAWN CARE

Get your yard thriving with our basic lawn care class. You will learn the science behind your landscaping, such as turf plant biology and identification. Discover how to select the best turf cultivars for growing in your yard. We'll also discuss soil science to help you know how to best apply fertilizer and amendments.

MAR/11/25, 5:30PM-7:30PM
\$25

SUMMER HANGING BASKETS

Here comes the sun. Plant a bright and cheery hanging basket with some August heat-loving annuals. All supplies are included and you get to take home a beautiful hanging basket.

APR/29/25, 5:30PM-7:30PM
\$89

VEGGIES AND HERBS

You can't beat the flavour of fresh herbs and vegetables. Learn how to grow your own with Master Gardener Catherine leading the way.

MAY/13/25, 5:30PM-7:30PM
\$25

MEET THE INSTRUCTOR: CATHERINE

Catherine is a Vancouver Master Gardener with twenty-three years of golf course horticulture experience. In addition to her expertise in turf management, she has helped 'green' her childrens' school grounds and introduced gardens into her local community. Catherine has initiated a myriad of horticultural endeavors within various golf club grounds and meeting areas, ranging from introducing native plants, to building a diverse multi-season food garden, to offering a short course on container gardening—while preparing videos and articles on garden tips for club media.

BODYCARE

HEMP MAKES SCENTS—USING ORGANIC HEMP SEED OIL

Discover the amazing properties of hemp seed oil. This exceptionally rich oil is high in essential omega fatty acids and proteins. It absorbs well into the skin and is very healing and rejuvenating. In this course you'll learn to make high-quality skincare products for all skin types from scratch. You will make and take home a Hemp Body Lotion, Hemp Seed Body Exfoliant, Heavenly Hemp Bath n' Body Oil and a Hemp Seed Soap, as well as receive recipes for healing salves and body washes. All supplies are included with tuition.

FEB/6/25, 6:30PM-9:00PM
\$55

PURE & SIMPLE SOAP MAKING

Learn the basics of cold process soap making from scratch. Design a long-lasting herbal floral soap and create a batch of citrus explosion. Explore different ingredients, methods and techniques that you can use to create exciting soaps. Learn about the history of soap, troubleshooting the craft, and how to package and decorate your creations. Also receive a unique finished soap bar and intriguing recipes for gourmet garden soap, pet soap, laundry soap and herbal shampoo. All supplies are included in your tuition.

OCT/21/24, 6:30PM-9:00PM
APR/8/25, 6:30PM-9:00PM
\$55

“ I absolutely loved learning Spanish with Ana. She made it fun to learn with games, visuals, and music. ”

—SPANISH FOR BEGINNERS LEVEL 1 STUDENT

”

KENNETH
MUSICIAN, GRADUATE

“ONE OF THE BIG BENEFITS TO TAKING MATH 10 ONLINE WAS THE ABILITY TO LEARN WHENEVER AND WHEREVER I WANTED TO, WHETHER IT WAS AT HOME, AT SCHOOL, OR ANYWHERE IN-BETWEEN. IT ALSO LET ME BE MORE FLEXIBLE WITH MY COURSE SCHEDULING AND I WAS ABLE TO FIT IN CLASSES LIKE BAND AND CHOIR WITH THE TIME THAT TAKING MATH ONLINE FREED UP. IT WAS ALSO VERY HELPFUL TO BE ABLE TO MOVE AT MY OWN PACE BUT STILL HAVE CONCRETE GOALS TO MEET EVERY FEW WEEKS SO I COULD STAY ON TRACK AND WORK THROUGH THE LESSONS.”

HOW TO GET THE MOST OUT OF

COQUITLAM OPEN LEARNING

STUDYING WITH COQUITLAM OPEN LEARNING (COL) MEANS YOU CAN TAILOR YOUR LEARNING TO YOUR NEEDS. HERE ARE A FEW TIPS TO HELP YOU MAXIMIZE YOUR COL EXPERIENCE.

1. Make a schedule. Online learning works best if you create a dedicated weekly routine that's easy for you to stick to.

2. Minimize digital distractions. If you can stay logged out of social media and off your favourite website while studying, you'll actually have more time for these things afterward, because you'll get your work done faster.

3. Make use of your teachers. Even though you may be taking your class from home, don't forget that there are real human teachers not too far away. If you call them, they will help you, in a way no robot can. It's in their nature.

4. Stick to the signposts. Learning is done on your schedule, but it's best to stick to the outlined structure by writing unit tests before moving on to the next unit. That's when information is most fresh in your brain.

5. Follow your passion. When you explore beyond the course content, your enthusiasm for the subject shines through in your assignments.

ONLINE LEARNING

THE FUTURE IS NOW:
TECHNOLOGY-ENABLED LEARNING

Online learning has come a long way in the last twenty years. Today's part-time and full-time students can experience multi-platform, multi-media, multi-faceted courses with access to teachers in real-time. Plus, most BC high school students and adults can take online high school credit courses for absolutely **FREE**.

COL offers a variety of ways to meet your learning needs:

- » **Online and Learning Centre (Continual Entry) Courses** are paced according to your schedule and can be started at any time.
- » **Upgrade Courses** allow you to improve your mark in a course you've already taken.
- » **Fast Track (Blended Delivery) Courses** involve regularly scheduled meetings with teachers and other students in addition to online study.

CCE offers two English learning opportunities: Literacy Foundations and LINC.

LITERACY FOUNDATIONS

Improve your English skills while working toward high school credit and beyond

Literacy Foundations classes are **TUITION-FREE** for all students who:

- are 17 years of age or older*
- are a resident in BC
- are Canadian Citizens, Permanent Residents, Refugees—including Government Assisted Refugees (GAR), or have a valid WorkStudy Permit (see documentation below).

*Students attending secondary school can also take Literacy Foundations courses. International students may take Literacy Foundations classes for a fee.

PLEASE CALL 604-936-4261 TO REGISTER

All students must complete an English language assessment prior to registering for classes.

LINC

If you are a newcomer to Canada, LINC is your program.

It is a free program designed to help you improve your English skills while learning about society, the job market, health care, Canadian laws, and many other things that are important for a successful life in Canada.

At higher levels, LINC will help you qualify for training and/or employment.

You will also be able to earn a LINC certificate.

Listening and Speaking Certificates from LINC (Level Four minimum) currently satisfy the language requirements for Canadian citizenship.

WHAT IS LINC?

CHANDRA AND HER FAMILY CAME TO CANADA FROM A NEPALESE REFUGEE CAMP, WHERE SHE HAD LIVED FOR EIGHTEEN YEARS.

“Stella, my SD43 SWIS settlement worker, helped me register in LINC. My youngest sons went to LINC daycare. At that time I only knew two words in English, ‘Yes’ and ‘No’ but I soon improved my vocabulary and pronunciation. My LINC experience was very good. I recommend it to my friends. The teachers and other students are friendly and helpful. Now, when I meet other people at church or the community centre, I can speak to everyone.”

CHANDRA

LINC 5 STUDENT

NEW TO CANADA?

Language Instruction for Newcomers to Canada (LINC) is a **FREE** English Language program* that will help you get settled in your new home.

INNOVATIVE CLASSES

Levels 1-8
Literacy
Online Blended
Literacy and Career Facilitation

FREE CHILDMINDING

Onsite childcare is offered for students attending daytime LINC classes.

INTERESTED IN APPLYING?

HERE IS A SAMPLE OF SOME OF OUR MANY COURSES OFFERED FOR GRADES 1 THROUGH 12

1. CODING & INFO TECH SKILL BUILDING

You'll be well on your way to building the next great app.

2. STEAM

Dive into activities that integrate concepts and skills in Science, Technology, Engineering, Art, and Math.

3. LANGUAGE ARTS & MATH

Build your academic skills to get ready for the next grade level or review skills from the past year. Classes for all ages.

4. ADVANCED HIGH SCHOOL CREDIT

Get the course credits you need for graduation. Choose from face-to-face, online, or both as options.

5. PERFORMING ARTS & CREATIVE WRITING

Create and collaborate with like-minded students and transform your passion into your path.

6. ENRICHMENT

Opportunities to grow your skills in music, cooking, tech, fine arts, and more. Specialty skill building courses provide three weeks of engaging, hands-on learning at elementary, middle, and secondary sites.

SUMMER LEARNING 2025: LEARNING FOR ALL

Summer Learning has something for students of all ages and interests. This is an excellent opportunity to build your skills, try something new, pursue an area of passion, complete high school credit courses, and more—all while making new friends and enjoying the summer season.

Our elementary, middle, and secondary sites, located throughout the Tri-Cities, provide certified teaching in a clean, friendly, and safe learning environment. Pick courses at a Tri-Cities location nearest to you.

All courses are tuition-free for students under the age of nineteen that normally reside in British Columbia.

AWARD-
WINNING
PROGRAM

THREE GREAT REASONS TO GO TO INQUIRY HUB

COMMUNITY

iHub students get to know their teachers and peers well because they move as a group through Grades 9 to 12. There are ongoing opportunities to collaborate on coursework and explore projects with those that share their interests. This creative approach rewards natural curiosity about the subjects and makes each task exciting. Students get to know each other very quickly through field trips, lunchtime activities, and other fun icebreaker and collaborative events.

LEADERSHIP

Student leaders play a significant role in shaping our school culture. All students are encouraged to initiate clubs, provide feedback on workflow, and facilitate planning for events, such as our annual graduation and awards ceremony. Involvement is important to a successful school experience and paves the way to an entrepreneurial mindset and the opportunities it creates. These life skills are ideal for leading teams of professionals or starting a business.

DREAM CREATE LEARN TIME

Students are given unstructured time in their daily schedules. DCL time is instrumental in reflecting on more thoughtful and creative approaches to completing course work, collaborating, and conducting inquiries. DCL is the time to learn to solve interesting problems in unconventional ways. We challenge our students to manage their time wisely and cultivate a continuous growth mindset. **Our graduates find learning this way sets them up extremely well for their university and post-secondary programs.**

“Inquiry Hub is an innovative secondary school in the Coquitlam school district where students pursue their own personal interests and dreams. About half to two-thirds of students’ time is scheduled with interactive classes which focus on project-based learning, while the rest is unscheduled time known as DCL, where students are self-directed and have time to Dream, Create, and Learn.”

— Dave Truss, Principal

HOW TO APPLY

The application process for next fall (2025) begins as early as November 2024. To apply, get an online application at InquiryHub.org. There’s a questionnaire to fill out. After that, your current teachers will be contacted. Some candidates will then be invited to participate in a family interview to help us discover if this program is a good fit for them.

Space available for September 2024. Apply now.
